CAREER OBJECTIVE

A driven IT graduate and self-taught builder with a proven track record of designing and delivering real-world systems — from government payroll platforms to public safety apps. Brings strong computer literacy, sharp attention to detail, and the ability to learn any tool or system fast. Looking to contribute both technical depth and practical work ethic to a team that values people who actually get things done.

EDUCATION

Bachelor of Science in Information Technology

2018 – 2026

Western Mindanao State University (WMSU) — Normal Rd, San Jose, Zamboanga City

WORK EXPERIENCE

Lead Developer / Programmer (OJT Intern)

March 2026 – June 2026

Department of Labor and Employment (DOLE) — Regional Office IX, Zamboanga City

On-the-Job Training — designated as lead developer by client/supervisor

- Developed a web-based Payroll Management System with integrated Travel Expense Voucher (TEV) Module, replacing manual Excel-based payroll operations for the entire regional office.
- Prepared system documentation, user manuals, and delivered basic end-user training.

PROJECTS & PORTFOLIO

ZECURE — Crime Mapping & Public Safety System — *Capstone Project*
